**Guidelines for Paint, Façade Repair & Signage Grant**

1. Any building owner, or store proprietor/tenant with written authorization from the owner, within the designated Main Street District (see attached maps of Main Street District and Historic District) can apply for the biannually awarded, competitive, **\$1,000.00** Paint, Façade Repair & Signage Project **reimbursement** grant. Only exterior (front and back) side and signage will be eligible for this grant.
2. Funds will be administered in the following manner: one grant awarded twice a year. If an application is not awarded the grant in the time frame submitted, a new application can be submitted during subsequent funding cycles. An application must be updated before being resubmitted for consideration.
3. **A before picture must be submitted with application and the building owner must sign application.** Applications will be reviewed and selected by the Goliad Main Street Board of Directors. Those buildings which are also in the designated Historic District must meet the requirements of the City of Goliad’s Historic District ordinance 302-A as governed by the Board of Architectural Review and the project must be reviewed by the Board of Architectural Review BEFORE it can be submitted for consideration for the Goliad Main Street Paint, Façade Repair & Signage Grant (separate application for permit for historic district building projects available at City Hall).

4. After the Goliad Main Street board has determined the grant award recipient and once the project has been completed as agreed upon, **paid receipts and copies of cancelled checks and after photos must be presented to the Goliad Main Street Board for reimbursement.** Reimbursement will be made on actual expenditures up to a maximum of \$1,000.00. Work on project must be completed within 1 year of application approval. All receipts must be dated within the 1 year of application approval.
